Home Care Packages Level 1 – 4
My Aged Care

Welcome to the heart of community care

Melville Cares is an independent not for profit organisation supporting our Community since 1986. Assistance is provided to aged people to live meaningful and connected lives, whilst remaining independent and living safely in their own homes.

Throughout this time we have adopted wellness and reablement approaches to provide the best possible care and focus on what is important to you.

We have a fabulous long serving team of devoted and trained support staff to assist in your important journey of living your life as full as you wish and as comfortably as possible, whilst staying connected with your community.

Home Care Packages Level 1-4

Designed to meet your ongoing care needs to assist you living independently in your own home. Individuals who are existing clients, receiving CHSP (Commonwealth Home Support Program) services and have been assessed for a Home Care Package can continue to receive services from Melville Cares without disruption.

Please contact our experienced team of coordinators to help you navigate the My Aged Care journey.

How we can support you

- **Friendship Groups** – We offer a variety of group based activities, by supporting your wish for social engagement in meaningful and fulfilling activities. These are designed to meet your individual needs as you meet others and make new friends.
- **Community Transport** – Our transport services provide you the opportunity to live independently, without having to rely on family and friends to provide all of your transport needs.
- **Home Services** – These can be put in place to assist you in completing domestic tasks, supporting your wish to remain living independently at home.
- **Nursing Care** – As required.

Keeping you safe

To help keep you safe, we aim to minimise environmental health and safety hazards in your home and garden. This may also involve minor maintenance or repair work. Please speak with our coordinators to discuss your eligibility.
